

# Actividad 2 - Tema 3 - Permisos y Grupos de Usuarios Joomla

Wuke Zhang

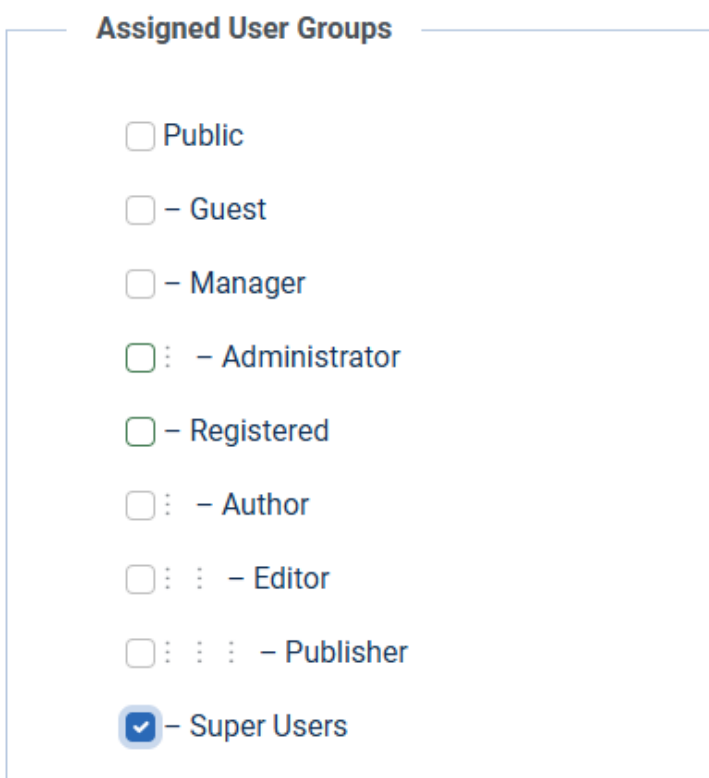

2-ASIR

Crear los usuarios y asignar a los diferentes grupos de usuarios.

The screenshot shows the Joomla! administration interface for creating a new user. The top navigation bar includes the Joomla! logo, the title "Users: New", and the version "4.0.0". Below the navigation bar are buttons for "Save", "Save & Close", and "Cancel", along with a "Help" link. The main section is titled "New User Details" and has several tabs: "Account Details" (selected), "Assigned User Groups", "Basic Settings", "Accessibility Settings", and "Joomla API Token". The "Account Details" tab contains the following fields:

- Name \***: A text input field containing "Administrator".
- Login Name (Username) \***: A text input field containing "Admin".
- Password**: A password input field with a strength indicator. The text "Minimum Requirements - Characters: 12" is displayed above the field. The field contains "\*\*\*\*\*" and a green progress bar below it indicates "Password accepted".
- Confirm Password**: A password input field containing "\*\*\*\*\*".
- Email \***: A text input field with a red border and the message "Please fill in this field" below it.

The screenshot shows the "Assigned User Groups" section of the Joomla! administration interface. It features a list of user groups with checkboxes for assignment:
